

NOTE: This map is NOT an aeronautical chart and is NOT intended to be used for navigation purposes. Airport location and military airspace are approximate. Always secure prior permission and verify condition before using private or unverified landing strips; many landing strips are not maintained on a year-round basis and may not be suitable for aircraft operations during wet weather.

Users of this map are encouraged to contact the Nevada Department of Transportation, Office of Aviation Planning with any changes or corrections: (775) 886-7354 or (800) 992-0900, or e-mail: pio@ndot.state.nv.us
